Welcome

0. The National Emergency Number Association (NENA) is conducting this survey to collect data from Public Safety Answering Points (PSAP) in the United States and Canada to evaluate and update call processing and staffing guidelines in response to evolving operational demands, emerging technologies, and increasing service complexity. The results will identify national trends, challenges, and effective practices to support data-driven decisions and the development of practical modern staffing recommendations that enhance efficiency, sustainability, and service quality. The survey takes approximately 20 to 30 minutes to complete. The deadline for completion is 07/31/2026. This initial phase focuses on core operations such as call processing, dispatching, and frontline Full Time Equivalent (FTE) staffing. Future phases will include support and administrative functions. Broad participation is essential to ensure representative results. All responses will be analyzed in aggregate to support research and guideline development. ***Please coordinate within the center to ensure that there is only one response per PSAP***. If you have multiple PSAPs under the same governance, please complete a survey for each PSAP to ensure that we can capture the unique characteristics of each center.

Data Requirements

0.1. To complete this survey, you will need to have the following data available to you: •Census and demographic data for your PSAP's service area •Call volume data for the last calendar year •Staffing data including the number of telecommunicators and supervisors •Shift length, count, and staffing per shift. •Average phone answer times. •Call processing times. You may use the 'Save & Get Code' button at any time to save your progress and return later if you need to gather additional information. The code can be used for 7 days from the time it is generated.

info

Data Privacy and Usage

0.2. All data collected through this survey will be treated with strict confidentiality and used solely for the purpose of developing staffing guidelines, call processing standards, and industry analytics for PSAPs. The data will be aggregated and anonymized to ensure that no specific PSAP can be identified in any reports or publications resulting from this survey. By participating in this survey, you consent to the use of your data for these purposes.

Location Information

1. Please select your state or province from the list below:

Dropdown

Options:

- ☐ Alabama
- ☐ Alaska
- ☐ American Samoa
- ☐ Arizona
- ☐ Arkansas
- ☐ British Columbia
- ☐ California
- ☐ Colorado
- ☐ Connecticut
- ☐ Delaware
- ☐ District of Columbia
- ☐ Florida
- ☐ Georgia
- ☐ Guam
- ☐ Hawaii
- ☐ Idaho
- ☐ Illinois
- ☐ Indiana
- ☐ Iowa
- ☐ Kansas
- ☐ Kentucky

- ☐ Louisiana
- ☐ Maine
- ☐ Manitoba
- ☐ Maryland
- ☐ Massachusetts
- ☐ Michigan
- ☐ Minnesota
- ☐ Mississippi
- ☐ Missouri
- ☐ Montana
- ☐ Nebraska
- ☐ Nevada
- ☐ New Brunswick
- ☐ Newfoundland and Labrador
- ☐ New Hampshire
- ☐ New Jersey
- ☐ New Mexico
- ☐ New York
- ☐ North Carolina
- ☐ North Dakota
- ☐ Northern Mariana Islands
- ☐ Northwest Territories
- ☐ Nova Scotia
- ☐ Nunavut
- ☐ Ohio
- ☐ Oklahoma
- ☐ Ontario

- ☐ Oregon
- ☐ Pennsylvania
- ☐ Prince Edward Island
- ☐ Puerto Rico
- ☐ Quebec
- ☐ Rhode Island
- ☐ Saskatchewan
- ☐ South Carolina
- ☐ South Dakota
- ☐ Tennessee
- ☐ Texas
- ☐ U.S. Virgin Islands
- ☐ Utah
- ☐ Vermont
- ☐ Virginia
- ☐ Washington
- ☐ West Virginia
- ☐ Wisconsin
- ☐ Wyoming
- ☐ Other (Please Specify)

PSAP Classification

2. What is the base population serviced by the PSAP?

Dropdown

Options:

- ☐ Less than 10,000
- ☐ 10,000 - 25,000
- ☐ 25,000 - 50,000
- ☐ 50,000 - 100,000
- ☐ 100,000 - 250,000
- ☐ 250,000 - 500,000
- ☐ 500,000 - 1,000,000
- ☐ Over 1,000,000

3. What is the peak population serviced by the PSAP?

Dropdown

Options:

- ☐ Less than 10,000
- ☐ 10,000 - 25,000
- ☐ 25,000 - 50,000
- ☐ 50,000 - 100,000
- ☐ 100,000 - 250,000
- ☐ 250,000 - 500,000
- ☐ 500,000 - 1,000,000
- ☐ Over 1,000,000

4. What are most common factors contributing to the population variation?
(Select all that apply)

Multiple Choice

Options:

- ☐ Daytime Increase (Worker Influx)
- ☐ Seasonal Peaks
- ☐ Event Peaks
- ☐ None
- ☐ Other (Please Specify)

5. Select the PSAP classification:

Single Choice

Options:

- ☐ Primary
- ☐ Secondary
- ☐ Other

6. What services does the PSAP provide (select one or more):

Multiple Choice

Options:

- ☐ Call Taking
- ☐ Dispatching
- ☐ Walk Up
- ☐ SMS/Text

7. Please list any additional services that you provide:

Text Input

8. What is the PSAP operational governance:

Single Choice

Options:

- ☐ Federal Government (Airport, Tribal, LEO, Military, Other)
- ☐ State Government (LEO, Other)
- ☐ County Government (Sheriff, Fire, EMS, Other)
- ☐ Municipal Government (Fire, EMS, LEO, Other)
- ☐ Independent Tax Funded Authority
- ☐ Private
- ☐ Other (Please Specify)

8.1. Which specific agencies fall under this governance:

Multiple Choice

Options:

- ☐ Police
- ☐ Sheriff
- ☐ Fire
- ☐ EMS
- ☐ Airport
- ☐ Tribal
- ☐ Military
- ☐ Other (Please Specify)

9. What agencies does the PSAP answer calls and dispatch for and how many of each?

Agency Selection with Count

Options:

- ☐ Police
- ☐ Fire
- ☐ EMS
- ☐ Sheriff
- ☐ Animal Control
- ☐ Other (Please Specify)

10. Types of calls answered by PSAP:

Multiple Choice

Options:

- ☐ 9-1-1
- ☐ Admin
- ☐ 10-digit Emergency
- ☐ SMS/Text
- ☐ TTY/TDD
- ☐ Other (Please Specify)

Yearly Call Counts

11. Total of 9-1-1 calls answered in the last calendar year:

Numeric Input

12. Total of all 10-digit emergency calls answered in the last calendar year:

Numeric Input

13. Total of all non-emergency calls answered in the last calendar year:

Numeric Input

14. Total of all SMS/Text sessions answered in the last calendar year:

Numeric Input

15. Total of all TTY/TDD sessions answered in the last calendar year:

Numeric Input

16. Total number of Law Enforcement events processed in the last calendar year:

Numeric Input

17. Total number of Fire events processed in the last calendar year:

Numeric Input

18. Total number of EMS events processed in the last calendar year:

Numeric Input

19. Total number of other events processed in the last calendar year:

Numeric Input

20. Estimated radio keyups in the last calendar year:

Text Input

21. Average number of radio keyups per hour in the last calendar year:

Numeric Input

22. How many calls were transferred in the last calendar year?

Numeric Input

23. Of the calls transferred, how many were transferred to a secondary PSAP?

Numeric Input

Telecommunicator staff numbers

24. Number of Funded Operational FTEs (Full Time Equivalents)

Numeric Input

25. Number of Telecommunicator FTEs in use

Numeric Input

26. Number of Supervisor FTEs in use

Numeric Input

27. What is your optimum number of Telecommunicator FTEs (if fully staffed)?

Numeric Input

28. What is your optimum number of Supervisor FTEs (if fully staffed)?

Numeric Input

29. What is the length of shifts in hours?

Single Choice

Options:

- ☐ 8
- ☐ 10
- ☐ 12
- ☐ Other (Please Specify)

30. Minimum number of telecommunicator FTEs per shift

Numeric Input

31. Minimum number of supervisor FTEs per shift

Numeric Input

32. Maximum number of telecommunicator FTEs per shift

Numeric Input

33. Maximum number of supervisor FTEs per shift

Numeric Input

Performance Metrics

34. What is your average phone answer time for 9-1-1 calls in seconds?
(From presentation to answer)

Numeric Input

35. What is your average phone answer time for non-emergency calls in seconds? (From presentation to answer)

Numeric Input

36. What is your average call processing time for 9-1-1 calls in seconds?
(From answer to dispatch)

Numeric Input

37. What is your average call processing time for non-emergency calls in seconds? (From answer to dispatch)

Numeric Input

38. What is the average number of calls handled per telecommunicator FTE per hour?

Numeric Input

39. What is the average time to transfer a call to another PSAP in seconds?
(From answer to transfer)

Numeric Input

40. What is the average processing time for law enforcement service calls in seconds? (From answer to dispatch)

Numeric Input

- 41.** What is the average processing time for fire service calls in seconds?
(From answer to dispatch)

Numeric Input

- 42.** What is the average processing time for EMS service calls in seconds?
(From answer to dispatch)

Numeric Input

Closing

- 43.** Thank you for completing the NENA 2026 PSAP Survey. Your participation is greatly appreciated and will help NENA better understand staffing and call processing standards. Your feedback is valuable throughout the industry and support meaningful solutions, advocacy, and future planning for the 9-1-1 community.
